Beat Her Once Too Often

Jimmie Washington, colored man about town, beat his wife once too often last Thursday night and was fined ten dollars and costs in police court Friday morning by Judge Roberts. The judge told Jimmie that his wife beating was getting altogether too frequent and that the next time he would get a jail sentence.

The Habit of Taking Cold

With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold, but a temperature of about 90 degrees F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.

Bad Habits

Those who breakfast at 8 o'clock or later, lunch at 12 and have dinner at 6 are almost certain to be troubled with indigestion. They do not allow time for one meal to digest before taking another. Not less than five hours should elapse between meals. If you are troubled with indigestion correct your habits and take Chamberlain's Tablets, and you may reasonably hope for a quick recovery. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.

Don't Scold Fretful Children

That nervousness, fretting and restlessness is no doubt caused by worms or constipation. Instead of whipping or scolding, give your child a treatment of Kickapoo Worm Killer. Nice candy confections that kill the worms and are laxative enough to move the bowels and expel not only the worms but accumulated poisons. These poisons and worms bring on fever, make children nervous and irritable, reduce their vitality and make them victims of sickness. Get a box of Kickapoo Worm Killer today at your druggist, only 25c.

Married Monday Afternoon

Robert O. Ball, prosperous Hemingford ranchman, and Mollie D. Chesnut, of Torrington, Wyoming, were married at the court house Monday afternoon by County Judge L. A. Berry. She returned Monday morning from a visit of two weeks with relatives at Ames and Des Moines, Iowa. The couple will make their home on the groom's farm near Hemingford.

ALLIANCE IS ASTONISHED BY SIMPLE MIXTURE

Alliance people are astonished at the INSTANT action of simple buckthorn bark, glycerine, etc., as mixed in Adler-I-ka. ONE SPOONFUL removes such surprising foul matter it relieves almost ANY CASE constipation, sour stomach or gas. Because Adler-I-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. Harry Thiele, druggist.

THE STATE TREASURY

Statement of State Treasurer for December Shows Increase of Cash on Hand over November

Lincoln, Neb., Jan. 12.—(Reported by C. Q. DeFrance and H. L. Cooper)—Secretary O. E. Bernecker of the state board of equalization and assessment has sent out a notice of the annual meeting of county assessors, to be held in the senate chamber, Lincoln, January 19 and 20, 1916. County clerks and members of the county boards are also invited to attend this meeting, which promises to be the most interesting and useful gathering of the kind in years. Land assessments will be made in 1916 and uniformity in valuations is the result Secretary Bernecker is striving for.

Dr. J. D. Case, inspector of the state board of health, announces that he has ready for distribution a new edition of "Rules and Regulations of the State Board of Health" covering quarantine, care and disinfection of contagious diseases, rules for deporting births and deaths, etc., revised and edited by Dr. H. B. Cummins, of Seward, secretary. This publication is free to all doctors, schools, and persons having to do with the care of the sick. Address, Dr. J. D. Case, State House, Lincoln.

Eleven county treasurers have sent in annual settlement statements to State Auditor Wm. H. Smith up to January 6, but settlement has been made with only one—Foster S. Gable of Stanton county. The other ten treasurers (of Adams, Box Butte, Fillmore, Furnas, Greeley, Hall, Howard, Knox, Richardson and York) will be settled with as promptly as possible, after they have made an additional statement showing balance of state funds on hand at end of each month in 1915, together with date and amount of each remittance. The statutory penalty will probably be exacted in all cases where treasurers refused to make monthly remittances.

The State Treasury

State Treasurer Geo. E. Hall's statement for the month of December, 1915, shows an increase of cash on hand over November. The totals for all funds are as follows:

November 30, 1915, balance on hand	\$1,204,708.35
December collections	636,960.52
Total	\$1,841,668.87

Dec. disbursements	557,660.05
Dec. 31, 1915, balance on hand	1,284,008.82

Total, \$1,841,668.87

The balance on hand at end of December is held as follows:

In depository banks	\$1,000,124.94
Bonds held as cash	88,000.00
Unl. warrants as cash	85,834.41
Normal school warrants held as cash	88,504.16
Johnson county warrant held as cash	2,500.00
Checks and currency in vault	19,045.31
Total balance	\$1,284,008.82

Taking charge of the treasury on January 8, 1915, it required a day or two for Treasurer Hall to get his bearings; but about the 12th of January he announced that thereafter all state warrants would be paid on presentation, and no more would be registered if it could be avoided. On January 12, 1915, there were outstanding \$863,000 of general, university and normal warrants—all drawing 4 per cent interest. From that day to this, except one small lot of university warrants, none have been registered. Less than three months after taking charge, all the registered warrants were disposed of as an interest liability against the state, and every state warrant is now at par.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She made up a mixture of Sage Tea and Sulphur to bring back color, gloss, thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, so one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.
